

## ASSOCHAM EduShine Excellence Awards

“Making India a Global Knowledge Powerhouse Catalyzing Reforms and Innovations”

ASSOCHAM has conducted the “12th ASSOCHAM National Education Summit and Edu-Shine Excellence Awards 2019” on 21st February, 2019 at New Delhi.

The summit was to enhance the contribution of various stakeholders towards value based affordable quality education for all, skill development, entrepreneurship, innovations, research and development. The summit nurtures an atmosphere of excellence and quality in the institutions that groom future leaders and felicitate those who have significantly contributed for the society in terms of quality and affordable education. It was graced by Hon’ble Sri Prakash Javadekar, Union minister of Human Resource Development, Hon’ble Sri Pranab Mukherjee, Former President of India and Hon’ble Sri Suresh Prabhu, Minister of Commerce & Industry and Civil Aviation.

In an era of transition where every sector in the economy is transiting towards adoption of technology and gearing up for industry 4.0, the field of education is no different. Moving with the times and embracing technology is the order of the day. Apart from the time tested methods that the teaching community adopts, new methodologies in imparting education is the need of the hour.

In his address, Hon’ble Sri Prakash Javadekar, Union minister of Human Resource Development stressed upon upgrading the education sector making it competitive, intellectually sound and accessible to all.

Hon’ble Sri Pranab Mukherjee, Former President of India mentioned about the glorious period in education in the ancient days and reminded that the higher education institutes have a major role in training the youth and driving the nation to success.

Hon’ble Mr. Suresh Prabhu, Minister of Commerce and Civil Aviation advocated the need for uniform education and its reach to all the sections. He also emphasized on providing education in order to expose new areas of education to improve employability.
