CMIE WORKSHOP REPORT

The Learning Resource Centre of Symbiosis Institute of Business Management, Hyderabad (SIBM-H) organized a workshop on Centre for Monitoring Indian Economy Pvt Ltd., (CMIE) Databases on 20th Dec 2018. The students of Semester I were trained to get hands on experience about the subscribed databases like, Prowess IQ, Economic Outlook and Industry Outlook.

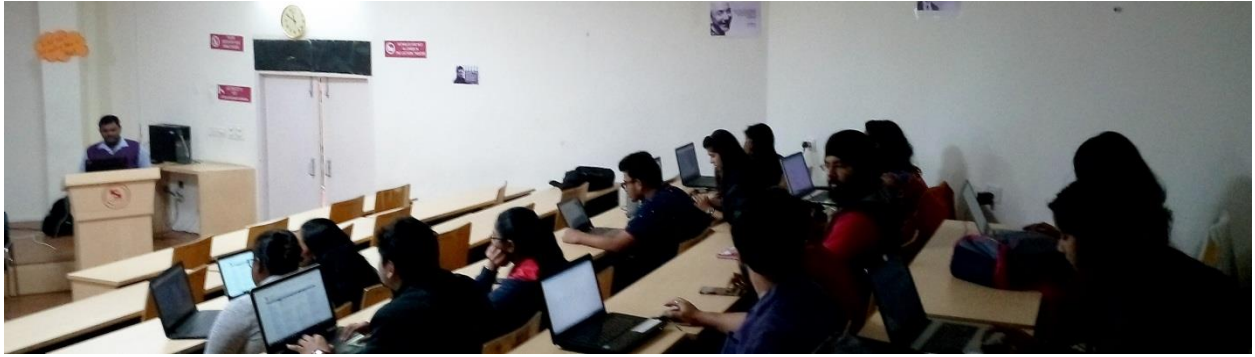

Mr. Janardhan Reddy, Business Executive, CMIE who was the Resource Person for the workshop explained about how to browse through and extract data from the e-databases.

Training session emphasized the benefits of e-databases and how MBA Graduates can make use of the information available and how to get analysis about the various industries and economies.

The workshop which was highly interactive and participatory, saw over 32 students taking part. The ideal utilization of CMIE databases will go a long way in helping students in their Summer Internship Project's, Class Assignments and in Research Activities.
