HYDERABAD (SIBM-H)  
Symbiosis International (Deemed University), Pune**

**CROSS ROADS 1.0 (Alumni Meet) REPORT**

**15<sup>th</sup> December, 2018**

## **Alumni Relations Cell**

The Alumni Relations Cell was formed in January, 2018 with a base of 3 passed out batches from SIBM-HYDERABAD. The objective behind a devoted cell was to build a strong network of alumni who can assist each other in growing professionally and also contribute to bringing in opportunities for the current batches.

Crossroads 1.0 presented an opportunity to interact with our seniors and integrate everyone into one family. We were also able to build a network of Symbiosis alumni by introducing them to one another so that going forward they can help and refer each other whenever there are better opportunities. They were also enthusiastic to meet each other and discussed their professional achievements and plans.

This powerful network of young, passionate and innovative minds is an asset in building a bright future for the individuals of the institution.

The Alumni Relations Cell currently has 10 members, 6 from batch 2017-19 and 4 from batch 2018-20.

### **Members -**

- Mahak Srivastava
- Nitin Arasappan
- G Tanushree
- Dhaval Bhatt
- Aditya Rao
- Amrita Chakraborty
- Amit Sehgal
- Gulnar Syed
- Tanuj Singhal
- Prathyusha Chokkapu

The cell members had received multiple requests for an Alumni meet in Hyderabad after the success of prior 2 meets in Bangalore and Delhi. ARC planned the event and received much interest and enthusiasm from the alumni body and thus with the support from the Director's office and Mr. Nicholas Ross, we successfully hosted the event, Crossroads 1.0 (a name suggested by the alumni themselves) at Leonia Holistic Destinations on Saturday 15th December, 2018 from 6-11 PM.

**Alumni Relations Cell**

The event started with ARC welcoming the guests and talked about the achievements and developments on campus, followed with the address of Mr. Raghavendra BT, Head – Student Affairs (SIBM – H). A video film having good wishes from the Faculties and the Management of SIBM was played. Various games for better bonding and ice – breaking was organised by the cell. It was followed by Dance, cake cutting, dinner. The Alumni and the cell together made the event vibrant and colourful.

### **Alumni Feedbacks**

Our guests thoroughly enjoyed the event and got a perfect environment and opportunity to bond with their classmates, juniors and seniors and share a laugh over some old memories and even made some new ones. Members of the Career Assistance Team also interacted with the alumni and discussed about the job market. CAT members also took feedback about the companies the alumni are working in and also assured alumni support going forward.

### **Conclusion**

Summing up the alumni event, we had extended an invitation to the alumni to hold positions in the prestigious alumni board for SIBM - Hyderabad for the following designations - Club Manager, Club Lead, Treasurer, and Secretary. We will soon be having a formal election and induction of these members to form the very first Alumni Board for SIBM Hyderabad! This will act as a bridge between the alumni and the students at SIBM Hyderabad. This alumni board will help to enrich the college network, exchange career growth ideas and opportunities and most importantly to stay connected!

The information related to the alumni meet will be updated on a regularly basis on the college website.
