Report on Faculty Development Program (FDP)

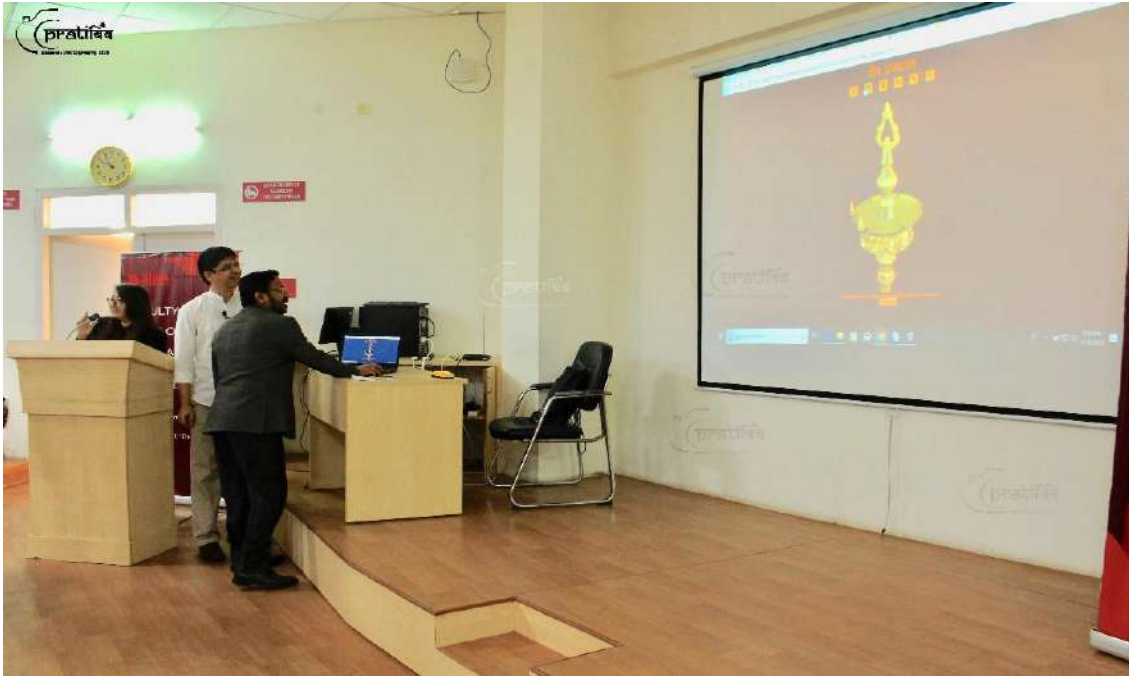

on

Adopting ICT in Teaching-Learning Pedagogy

December 20 to 21, 2018

(Joint FDP between SIBM-H & STLRC)

Symbiosis Institute of Business Management – Hyderabad organized a two-day Faculty Development Program on December 20 to 21, 2018. The purpose of the FDP was to equip the in-house faculty members with the new innovative technologies in engaging the classroom, creating of MMOCs and student centered learning pedagogy.

The FDP was inaugurated by e-lighting of the lamp by Dr. Ravi Kumar Jain, Director, SIBM-H, Dr. K P Venugopala Rao, Dy., Director, SIBM-H, Dr. Sameer Sahasrabudhe, Chief Guest and expert on MOOCs, Dr. Tanmoy De, FDP Coordinator.

In his keynote address, Dr. Ravi Kumar Jain, highlighted the importance of online courses and motivated the participants to learn the techniques of creating online MOOCs along with making the class more engaging.

Dr. Sameer Sahasrabudhe, took two sessions discussing about active learning strategies in the classroom followed by learner centric MOOCs model. The participants posed questions to him regarding preparation of MOOCs and how to go about creating online content. Dr. Sahasrabudhe gave tips about peer learning and to undergo an upcoming course on NPTEL for knowing about the basics of creating online courses

Microsoft trainer, Mr. Praveen Kothuru, explained the powerful tools which can be of great use to any instructor / faculty. He demonstrated the one note tool specifically designed for faculty members. Hands on learning happened with participants logging into their outlook account to know about the key features of one note. In the second day, the trainer highlighted about two other tools i.e. Office 365 & Azure. Certain features of the tools were exercised by the participants in the program to have clarity about MS-Office.

All the participants were enthusiastic about the use of the new tools and were keen to know more about them. In the above picture the participants are trying out the software tools along with peer interactions.

Mr Vaibhav Vashisht, Co-founder of Acadly, described to the participants about Acadly Learning Management System (LMS) which can be used in Desktop or as an Mobile App. He explained all the features of the LMS and more specifically, the attendance feature that uses mesh technology to record student attendance in the classroom.

In the above picture, Mr. Vaibhav Vashisht, is helping participants in getting accustomed with the Acadly LMS. Mr. Vashisht also showed the participants how to take polls and quizzes as part of class activity.

Dr. Tanmoy De, FDP coordinator, made the participants play with two clicker response system. He showed the usage of Kahoot & Quizizz in a classroom setting to take formative assessment and make it fun learning for the students.

At the end of the FDP, a Q & A session was addressed by Dr. Sameer Sahasrabudhe, where he tried to answer the queries mostly related to online creation and blended learning.

Dr. Tanmoy De felicitated all the resource persons and thanked everyone for being a part of the FDP.
