Symbiosis International (Deemed University), Pune

Guest Lecture by

Mr. Sai Kumar

Topic:- “Facing Challenges During an Interview”

Date:- August 05, 2019

“Facing Challenges During Interview” session was conducted for the MBA Batch 2018-2020 on August 05, 2019. The key points covered are as follows:-

- All the students were given the introduction on the topic and Mr. Sai Kumar suggested all students to take up the DiSC test.
- Around 40 students were asked to volunteer for the activity planned by Mr. Sai Kumar that involved a discussion, followed by presentation
- Students were asked to recall all the issues which they think they have with respect to interviews and the apprehensions pertaining to their own specialization.
- The presentation was made by each group about it and the second activity was initiated that involved teams to discuss the apprehensions pertaining to the interviewer.
- This was pre-activity and all these challenges would be addressed later during the placements training.
- Apart from the exercise, as a part of assignment, students were asked to be prepared with
 1. DiSC personality test
 2. “Tell me about yourself” - 5-6 pages
 3. Understanding on the dream company and the role that student is aspiring for
