PEARSON eBooks TRAINING REPORT

The Learning Resource Centre of Symbiosis Institute of Business Management, Hyderabad (SIBM-H) organized the Pearson eBook training session on 8th Aug 2018. The students of Semester I were trained to get hands on experience about the Pearson eBooks.

Mr. Prem Ramanathan, Technical Analyst, who was the Resource Person for the training explained about how to Search across the text, Add bookmarks, Add highlights, Add your own notes to the eBooks.

Training session emphasized the benefits of our subscribed Pearson eBooks. Notes can be shared with students and they can share notes with each other. There are options to allow downloading for access offline along with seamless synchronization with your other devices such as tablets or smartphones. MBA Graduates can make use of the information available through Pearson eBooks.

The training session which was highly interactive and participatory, saw over 94 students taking part. The ideal utilization of Pearson eBooks Service is very much useful for end-users.
