## ELYSIUM – 2018

In the dying embers with the last minute preparations for our very first annual sports fest, one could feel the zeal, the zest and the notion of impending battles that were to happen on the courts. All the effort put in by the members of Dauntless and the volunteers was about to meet its business end. The lines were drawn, the nets were tied, the banners were pasted and the whole campus was buzzing.

Elysium was the first ever annual sports fest of Symbiosis Institute of Business Management. It was a highly anticipated event which witnessed participation from 8 teams and a total of 240 + participants. It lasted over the weekend of the 3<sup>rd</sup> week of January 2018, i.e., on January 20 to 21, 2018. It garnered huge response in social media which translated into great sponsors. This made this a flagship event and an overall success.
